This webinar will introduce the technical assistance (TA) and TA providers for Apprenticeship State Expansion and State Apprenticeship Expansion Grantee. The webinar objectives include:

- Orienting you to the Employment and Training Administration’s approach to technical assistance
- Introduction to the TA team at Maher & Maher
- Sharing the ways grantees can participate in TA activities
- A brief overview of planned TA activities
- Understanding of the Five Elements of Apprenticeship Expansion
- Understanding of the entire Grant Support Team
- Understanding of how TA coaches can support you
- Introduction to your TA coach

The Office of Apprenticeship contracted with Maher and Maher to deliver TA under these grants. Maher & Maher has a strong record of expanding, modernizing, and diversifying apprenticeship programs and has build a strong team of TA providers including coach. Each grantee will be assigned a TA coach from this team.
