

# Executive Summary

## Registered Apprenticeship 101 Bootcamp: An Overview of Apprenticeship Structure and Resources (Q&A)

10/30/2019

Moderator(s): [Marcia Hampton](#)

Speaker(s): [Charles McNeil](#), Doug Howell, [William Kraus](#), [Gina Wells](#)

This introductory session to the Registered Apprenticeship 101 Bootcamp, comprised of 5 brief pre-recorded webcasts followed by a live Q&A, will provide an overview of the existing structures of apprenticeship, from the governmental organizations to the roles of different partners and intermediaries. It also provides a framework for understanding the importance of apprenticeship within a successful workforce development strategy, as well as useful existing resources attendees should be encouraged to explore.

Review information from the five pre-recorded webcasts

Answer participant questions on the existing overview of existing structures of registered apprenticeships
