Strategies for Resilient Apprenticeship Expansion

October 29, 2020

Moderator: Michelle Mills

Speaker(s): [Gina Wells](#), [Joe Quick](#)

This webinar provided participants with Registered Apprenticeship Expansion Resiliency Planning documents as resources for creating and maintaining strategies for continued growth of registered apprenticeship programs, diversification of industries and apprentices, and implementation of strong statewide approaches to support various registered apprenticeship stakeholders.

Subject-matter experts reviewed the following resources:

- [Resiliency Planning Tool](#)
- [Resiliency Resource Compendiums:](#)
 - [1 State Leadership & Policy](#)
 - [2 Outreach & Business Engagement](#)
 - [3 Capacity to Launch, Develop & Manage](#)
 - [4 Development of an Apprenticeship Pipeline & Diversity](#)
 - [5 Alignment with Career Pathways and Post-Secondary Education](#)
- [Statement of Work \(SOW\) Adjustment Considerations](#)

State representatives from Maryland, Montana, North Carolina, and Texas also shared resiliency strategies and practices pertaining to apprenticeship in their states. Participants then had an opportunity to share resiliency concepts and questions in a concluding open discussion.
